

Harvest Festival Sticking

ACTIVITY

Autumn also means harvest season! A crafty way to help your little one learn about this British tradition when crops are harvested for food and animal feed.

Shopping List

Paper

Glue

1. Use paper to make some fruit and vegetables. Older children can do this themselves, younger ones will need a grown up helper!

2. Stick! You can use a glue stick, PVA or double sided sticky tape.

Talk about the vegetables, with older children you can discuss the harvest festival and for youngsters, just talk about the food!
