

# Remembrance Day Poppies

## ACTIVITY

Looking for a children's craft for Remembrance Day? How about these simple but beautiful Poppy Potato Prints – really easy and fun to play with. Children will love creating their own vibrant poppies.

## Shopping List

Paper

Potato

Red Paint

Black  
Paint/Pen/Hearts

Fork

1.

Cut your potato in half and simply cut two triangular shapes into either side of the potato to form the two top and bottom petal shapes of your poppy.

2.

Stick a fork firmly into each potato half to give little ones an easy way to hold them.

3.

Dip the potato in red paint and then print onto paper.

4.

Paint, stick or draw on your poppy's black centre – Nanny Fizz uses black paper card hearts!
