

# Easter Bunting

## ACTIVITY

## Shopping List

Brown paper bunting

White and grey paint

Glue

Googly Eyes

Easter accessories

Paint brush

Sharpie

Pom poms

1. Gather all your materials and find a clear space where you and the little ones can get messy!

2. Paint your charges hand, index and ring finger white and get them to make handprints onto the bunting.

3. Decorate your bunny handprints by using the pom poms for noses (use a sharpie to add whiskers) and adding their fun goggly eyes.

You can decorate the other bunting flags with any other Easter themed goodies you have.

4. Once dry, restring your bunting. Feel free too add any other embellishments to the string.
