

# Rainbow Grains Construction Site

ACTIVITY

nannypax

created by nannies, for nannies

A great little set up for scooping, pouring, and imaginative play. Immerse the children in their very own digger land and enjoy!

**This isn't taste safe so please supervise your children to ensure it isn't eaten.**

## Assemble with:

Couscous, pearl barley, quinoa, pasta or rice

Paints

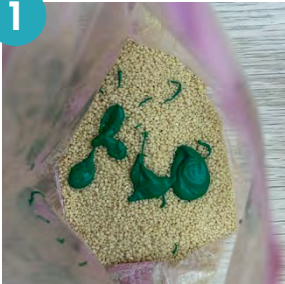

A tray

Digger/ Lorry toys etc.

1

Put the grains in a sealable plastic bag along with a blob of paint.

2

Shut the bag and mix together until the grains are covered in paint.

3

Pour out onto some kitchen roll and leave to dry for a couple of hours.

4

Pour into the tray and add your construction vehicles.

5

Play & enjoy!
