

# Autumn Sensory Tuff Tray

ACTIVITY

nannypax

created by nannies, for nannies

Sensory tuff trays are important because they can help and encourage children to learn & develop in different ways including their fine motor skills, cognitive development, hand-eye coordination, problem solving, language skills, physical development, social skills and creativity.

**Autumnal themed items** you could use include red lentils & Halloween themed pasta shapes, crispy autumnal leaves, pumpkins, fake spiders, red/orange/brown ribbons, pipe cleaners, stickers, buttons, sequins, pompoms and even conkers!

## Assemble with:

Tuff Tray

Autumnal themed items

Safe utensils to play with

**Safe utensils** that Jo uses include colanders, sieves, wooden spoons & scoops, containers & buckets and jugs & funnels but feel free to get creative with what you have to hand!
