

# Halloween Wreath

## ACTIVITY

This fun seasonal craft is great to do with all ages as you can include older children by letting them practice their cutting out skills.

### Assemble with:

Card/cardboard

Paper to cut out into Halloween shapes

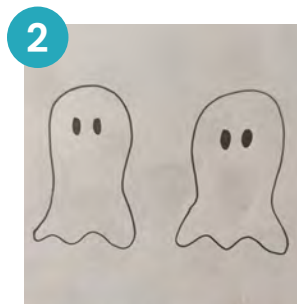

Ribbon/thread to hang

Glue or double sided tape

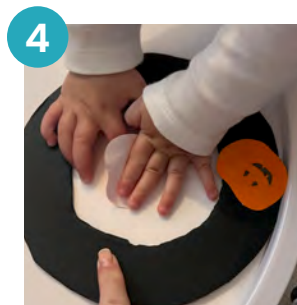

1 Draw round a plate on the cardboard, the size of the wreath you'd like, and cut it out then cover with black paper.

2 Draw some Halloween shapes - ghosts, pumpkins, spiders etc and cut out.

3 Put some glue or double sided tape on the back.

4 Stick the shapes onto the wreath and add the ribbon at the end.

5 Tadaa!
