

# Dinosaur Swamp

## ACTIVITY

**nannypax**

created by nannies, for nannies

A great messy sensory play activity with different textures to explore, great for stomping dinosaurs!

This activity is a great opportunity to talk about cause and effect, as well as thinking about positional language and introducing adjectives and onomatopoeia!

Holly also added some spoons and buckets for scooping and pouring.

### Assemble with:

tinned / cooked lentils & beans

Cornflour

Food colouring

Dinosaur toys

1

Make the gloop! Holly did 2 small cups of cornflour with 1 small cup of water, you can always add a bit more of either depending on if it's too hard or too runny! Holly adds the food colouring to the water before mixing into the cornflour.

2

Spread the beans and lentils out in the tray.

3

Add the gloop to the tray.

4

Finish off with some dinosaurs!
